Much important news is shared these days through social media

PRAVEENA

An news app enables users to not only receive the information, but to interact with it, share it or discuss it in real time.

SWETHA

Members are also being drawn to the app through custom and controlled push notifications instead of those that are sporadic and general through social media platforms.

RESHEMA

news feed is a perfect way to keep your attendees connected with real-time agendas and links to session materials.

Step-3: Idea Prioritization

Idea prioritization

Use this framework to rank ideas based on their feasibility and impact to visually compare the merits of multiple ideas. Deliver a set of ideas that your team wants to try out, and identify which of them need to be prioritized.

Collect your ideas in one place

Jot down different ideas your team is interested in trying out. These could be different solutions, or different approaches to the same solution. As a team, go through the ideas in the Idea bank one by one and place them on the grid. Take the time to discuss each idea and come to a consensus on where it should go.
